***THE (UN)HAPPY MEDIUM***

WINNIPEG, MANITOBA: Kiss the Giraffe Productions is proud to present a brand-new made-in-Manitoba play at this year's Winnipeg Fringe Festival - ***The (Un)Happy Medium***, written by Heather Madill.

When you've got two rotten roommates that spend every minute trying to run your life, it's a constant struggle to keep things in balance. **Heather Madill** takes on the storytelling role of dealing with these characters in a seriocomic look at living with Depression and Anxiety... literally.

***The (Un)Happy Medium*** is a new play that takes on the humour and the heartbreak of dealing with a chronic illness. Based on personal experience, it tackles the issues of invisible illnesses, disclosure, and coping - but finds that even in the darkest moments, there can be something to laugh about.

Director **Alan Mackenzie** (Director of *Macabre Tales of Horror and Macabreness*, *Drinking and Dragons*, *Lester Gets KISSed* and founding member of *Improv*ision,) contributes his well-known brand of humour, and cast members **Scott Douglas** and **Laura Kolisnyk** bring the invisible to life with characters that have touched all our lives - directly or indirectly.
